

YAMCS Contributor Agreement

This YAMCS Contributor Agreement (“YCA”) applies to any contribution that you make to any work which is managed by us (the “work”), and sets out the intellectual property rights you grant to us in the contributed materials. The term “us” or “we” shall mean Space Applications Services NV/SA, a company established under Belgian law, having its seat at Leuvensesteenweg 325, 1932 Zaventem, Belgium, registered under the company number 0431 666 826. The term “you” shall mean the person or entity identified below. If you agree to be bound by these terms, fill in the information requested below and sign the YCA where indicated. Read this agreement carefully before signing. These terms and conditions constitute a binding legal agreement.

1. The term ‘contribution’ or ‘contributed materials’ means any source code, object code, patch, tool, sample, graphic, specification, manual, documentation, comment, or any other material posted or submitted by you as a contribution to the work.

2. With respect to any intellectual property rights as defined in Book XI – Intellectual Property Rights of the Code of Economic Law, or as defined under any other applicable law, including any worldwide copyrights, or copyright applications and registrations, in your contribution:

- you hereby assign to us full ownership rights of the contribution. We acknowledge that such transfer, if we choose to accept it as a part of the work, is conditional upon our making the contribution available to the public under the GNU Affero General Public License (v3 or any other versions chosen at our discretion), or under a suitable FSF (Free Software Foundation) or OSI (Open Source Initiative) approved license, chosen at our own discretion. To the extent that such assignment is or becomes invalid, ineffective or unenforceable, you hereby grant to us a perpetual, irrevocable, non-exclusive, worldwide, no-charge, royalty-free, unrestricted license to exercise all rights under those copyrights. This includes, at our option, the right to transfer or sublicense these same rights to third parties through multiple levels of sublicensees or other licensing arrangements.
- you agree that you will not assert any moral rights in your contribution against us, our licensees or transferees. We will respect your original authorship by not removing or editing any mention of your authorship that you have chosen to include in your contribution.
- you agree that neither of us has any duty to consult with, obtain the consent of, pay or render an accounting to the other for any use or distribution of your contribution, whether current or future.
- with respect to any patents you may own, or that you can license without payment to any third party, you hereby grant to us a perpetual, irrevocable, non-exclusive, worldwide, no-charge, royalty-free license to: make, have made, use, sell, offer to sell, import, and otherwise transfer your contribution in whole or in part, alone or in combination with or included in any product, work or materials arising out of the work to which your contribution was submitted, and at our option, to sublicense these same rights to third parties through multiple levels of sublicensees or other licensing arrangements.

3. We and you agree that the availability of your contribution to the public and its further promotion and development by us as a part of YAMCS is sufficient consideration for the aforementioned transfer, and that no other payment will be due by one party to the other.

4. You affirm that the rights that you grant to us under these terms are effective on the date you first submitted a contribution to us, even if your submission took place before the date you sign these terms.

5. You covenant, represent, warrant and affirm that each contribution that you submit is and shall be an original work of authorship, and that you are legally authorised to transfer and grant all rights set out in this YCA. To the best of your knowledge, each contribution you make will not violate any third party's intellectual property rights as described above, nor violate any legislation that may apply to you. You agree to notify us if you become aware of any circumstance which would make any of the foregoing representations inaccurate in any respect. We may publicly disclose your participation in the work, including the fact that you have signed the YCA.

6. This YCA is governed by and will be interpreted under the laws of Belgium. Any dispute in relation thereto may only be submitted to the exclusive competence of the courts of Belgium. Any choice of law rules will not apply, and you explicitly waive any such rights or privileges that you may have under applicable law.

7. Please place an “x” on one of the applicable statement below. Please do NOT mark both statements:

☐ I am signing on behalf of myself. No other person or entity, including my employer, has or will have rights with respect to my contributions.

☐ I am signing on behalf of my employer or a legal entity. I have the legal authority to contractually bind that entity as described above.
